We recommend the use of our dublicating silicones, 1:1. Available as:

- 1 kg, component A / B
- 6 kg, component A / B
- 25 kg, component A / B

WaSil soft, hardness Shore A: 16-18, 6 kg cask

WaSil speed, hardness Shore A: > 24, 6 kg cask

Sidomix with 6 kg cask

Material container, 2 x 2 L, incl. in delivery

Single-handed operation

Foot-operated switch, available as option

### MADE IN GERMANY

Wassermann is a medium-sized, owner-operated company with head office in Hamburg. We design and produce high-quality technical devices in Germany. Our main users are dental laboratories, dental clinics and various industrial areas worldwide.

## Why a Wassermann product?

Wassermann products are manufactured from high-quality materials and the proportion of plastics used is intentionally kept as low as possible. Our devices are known for their suitability for daily use, functionality and longevity. As a result, the users place high levels of trust in the Wassermann brand. We feel it is our duty to support our customers on a daily basis when it comes to safety, service and productivity. Technological perfection, optimum quality and especially

sustainability are the benchmarks we set. Thanks to the combination of these values, the family-owned company, since its establishment in 1927, has gained worldwide recognition as a manufacturer of high-quality products.

# Dosing and Mixing Unit **Sidomix**

The **Sidomix** is a dosing and mixing unit for addition-vulcanizing duplicating silicones of low viscosity. A regulable bypass circuit ensures an optimum mixing ratio. The mixing ratio can be adjusted very easyly and quickly by the user with the help of a convenient quantity flow control. The desired components are mixed 1:1 and dosed correctly – automatically, totally homogenous and fully bubble-free.

The mixing head with separate outlets makes mixing of components impossible – even when attaching and removing the mixing cannulas

Material and time saving with loss-free filling of several flasks with one mixing cannula

High quality construction, plastic powder coated housing

### **Major Features**

### • Included in delivery:

W x H x D without bracket
